Happy Healthy Active Holidays

Happy Healthy Active Holidays runs holiday clubs during the Easter, Summer and Christmas school holidays. There are funded spaces available to children in reception through to year 11 who receive benefit-related free school meals. It won't cost anything to attend. Each club will have a range of fun activities such as sports, cooking, dance, music, arts and crafts, and a nutritious meal each day.

Once you have registered you will be notified when your eligibility has been confirmed and you will be able to go ahead and book activities taking place from 22 July to 1 September 2024.

You can view all holiday clubs, and filter on SEND specific/inclusive clubs on: www.hhah.telford.gov.uk

Wrekin Forest School

Wrekin Forest School has been running for over twelve years and is led by Judie, a mum to four adult children and a qualified teacher of twenty years. As a teacher she fell in love with the concept of outdoor learning and forest school. She is a qualified Forest School Leader and her passion for outdoor learning is as strong today as it was when she first qualified! Judie longs to provide an environment that gives access to all ages and abilities.

They strive to provide an environment that nurtures all who attend, through activities that allow users to learn new skills, increase resilience and become great risk assessors. The outdoors enhances self esteem and mental wellbeing. Wrekin Forest School run inclusive, as well as SEND sessions.

iCan2 Membership Scheme

As you may be aware, iCan2 is the membership scheme ran by Telford and Wrekin Council to offer fun and engaging activities to children and young people 0-17 with disabilities. iCan2 provides targeted and preventative level support for children and young people where disability has a moderate or severe impact on day-to-day life. Within the scheme, there will be providers that deliver creative arts, sports and leisure, and youth clubs. We also offer passes for local attractions.

The scheme has recently undergone some changes, and in order to access all of the wonderful activities and local attraction passes, membership is required. If you would like to become a member and access these exciting opportunities, you can download the membership form and find more details, including eligibility criteria here.

iCan2 Sports and Leisure Club

As discussed at the Short Breaks Forum, work to tender for the iCan2 Sports and Leisure Club is progressing. We have taken feedback from parents on board and have tendered for a three hour session to enable parents to have a meaningful break whilst their child or young person attends. We have requested a wide range of sports and leisure activities to appeal to as many children as possible. We will update you when a provider has been appointed.

In addition to this, a Youth Club will be commissioned later in the year. Parent representatives will be invited to be part of the tender process so that we can ensure views are included.

Short Breaks Forum

The Short Breaks Forum provides an opportunity for local families to meet with Telford and Wrekin Council representatives to discuss and exchange views, information and options to meet the social care needs of children with disabilities.

If you would like to attend and be involved in these conversations, our next forum is 10th September 2024, 10-12pm at PODS Hub, 1 Hawkworth Road, Central Park, Telford, TF2 9TU. You do not need to register—you are more than welcome to come along!

COMING SOON—iCan2 Creative Arts

The 4 All Foundation is delighted to announce the launch of three new workshops as part of the iCan2 membership scheme in Telford & Wrekin. These exciting activities will be divided into dance, drama, and music workshops, featuring themed sessions such as The Lion King, African drumming, and street dance.

Stay updated with tasters, themed events, and more by following 4All social media pages and signing up for their newsletter by emailing info@4all.foundation

Short Breaks Statement 2024

Following consultation in December 2023, we have been working on our new Short Breaks Statement. We believe that with the 'right support at the right time' this is possible. Working together, children and young people with disabilities can and will achieve their full potential. The Short Break Statement is designed to show how we meet the social care needs of Children and Young People with disabilities in Telford.

The new fleet will be used for a variety of activities including helping more children complete the 10by10 programme.

Keep your eyes peeled for more information soon.

In the meantime why not come and have a look what's on offer and talk to the team about how these new bikes could be used.

If you'd like to find out more please come along to the launch event:

- Saturday 20 July
- 11am until 4pm
- Telford Bike Hub (in Telford Town Park) next to the Visitor Centre

Families can have a go one of the 13 new bikes – there will be variety of bikes on offer to support residents with additional needs who would otherwise not be able to cycle.

The bikes have both user and carer controls. The range includes a hand powered cycle, wheelchair loader, side by side, trikes and more.

Get advice from the Travel Telford team about what bike best suits you or your child's needs.

Plus learn about our local bike routes in and around Telford Town Park or tell us more about what is needed to make routes more accessible and usable.
